

RELEASE NOTES

SEPTEMBER 2025

Thank you for taking a moment to review the latest WorkMax release notes.

If you have any questions during the update process, you can contact the WorkMax Support Team at (844) 967-5629.

CONNECTMAX 2.5.0

SOFTWARE MAINTENANCE

The following items have been fixed:

- When the Import Settings screen was minimized, the information from the import template was removed. 201854
- When running a file export of the Payroll Detail Report, if a *Date Range* was entered and a *Pay Period* was not assigned, the report did not load. 193588
